MEMORANDUM FOR: Members, Intelligence Definitions
Working Group

FROM:

[redacted]
Office of Policy and Planning DIA review(s)
Resource Management Staff completed.

SUBJECT: Draft Glossary

1. Attached are the draft introductory sections, glossary, and acronyms/abbreviations produced at the Intelligence Definitions Working Group editing sessions last week. These drafts have been forwarded to the DCI for his review and signature on a covering memorandum to NFIB members. The package is expected to be distributed in a week or ten days to the NFIB for comment and vote sheet action.

2. Our plan is to complete the annexes while the drafts are undergoing coordination. [redacted] will soon finish up his "word relationship" task, and I have started compiling an appendix of duplicate definitions and an index of other glossaries. Your thoughts on these or any other items which you believe will enhance the document will certainly be welcome.

3. We must determine the number of glossaries to be published. I wish you would give this some thought and telephone [redacted] your organizational requirements to me by 14 April (Mr. Kennedy can speak for OSD, JCS, and the Services if that is convenient). The Intelligence Definitions Working Group will not meet again until further notice.
